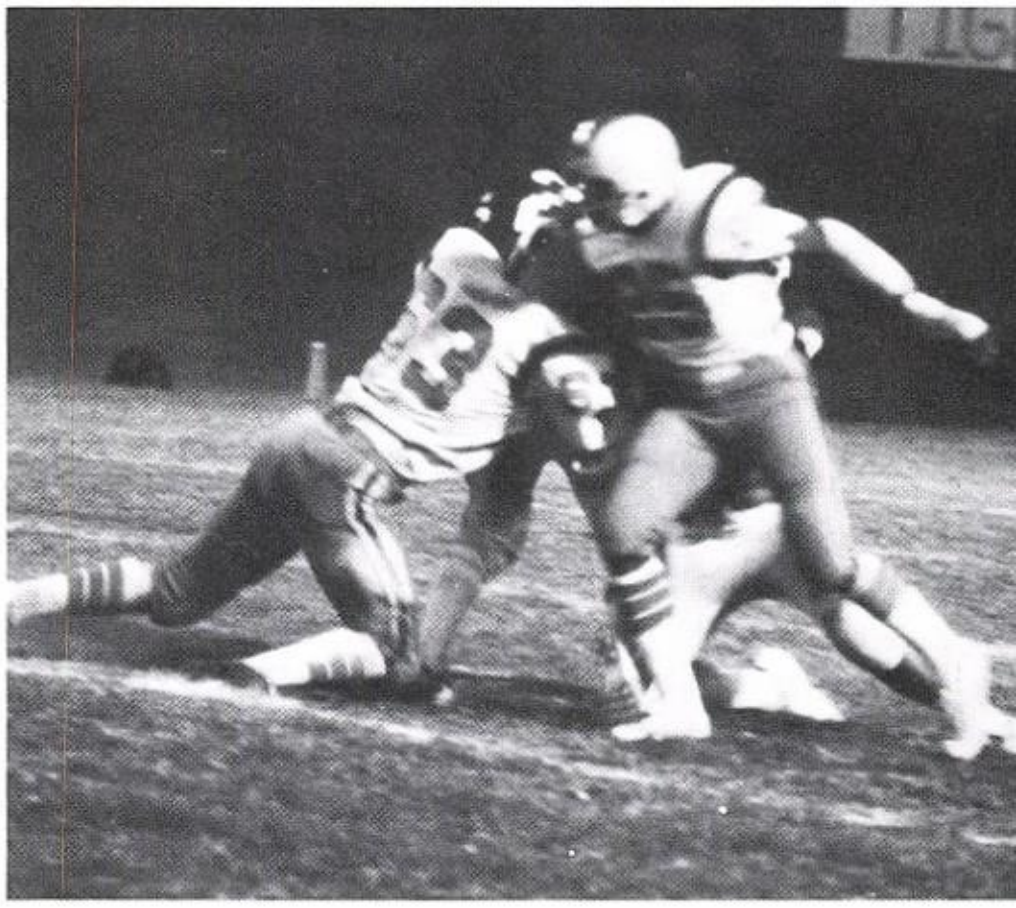
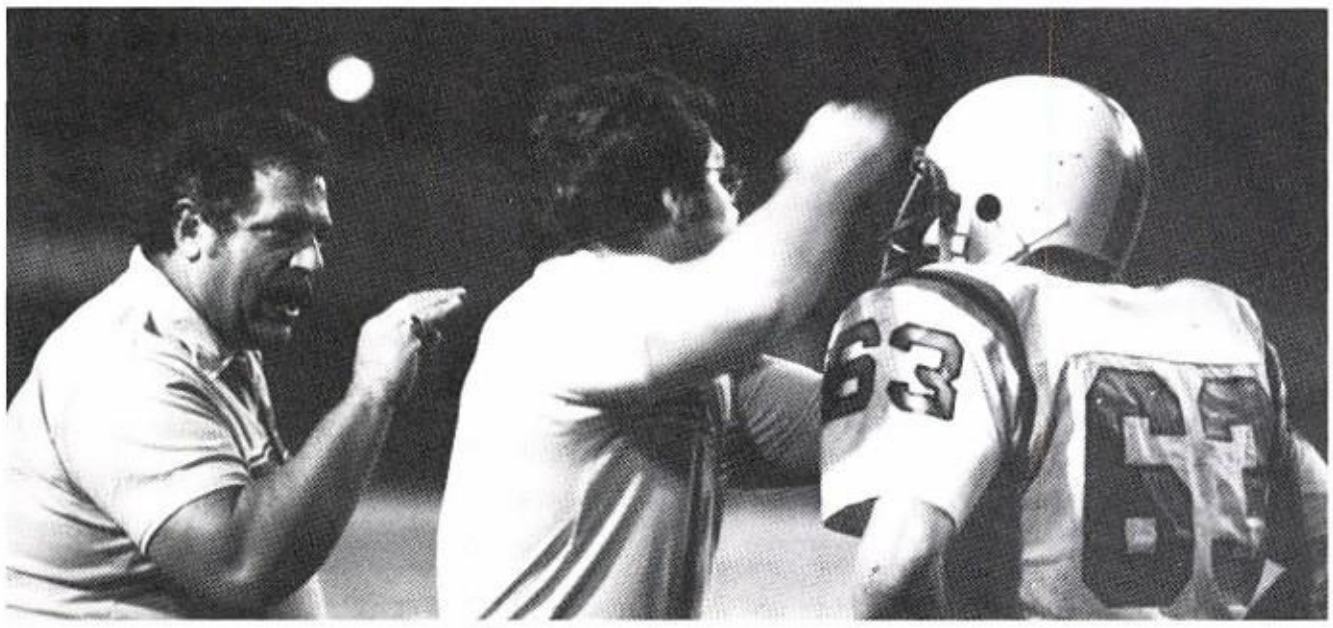
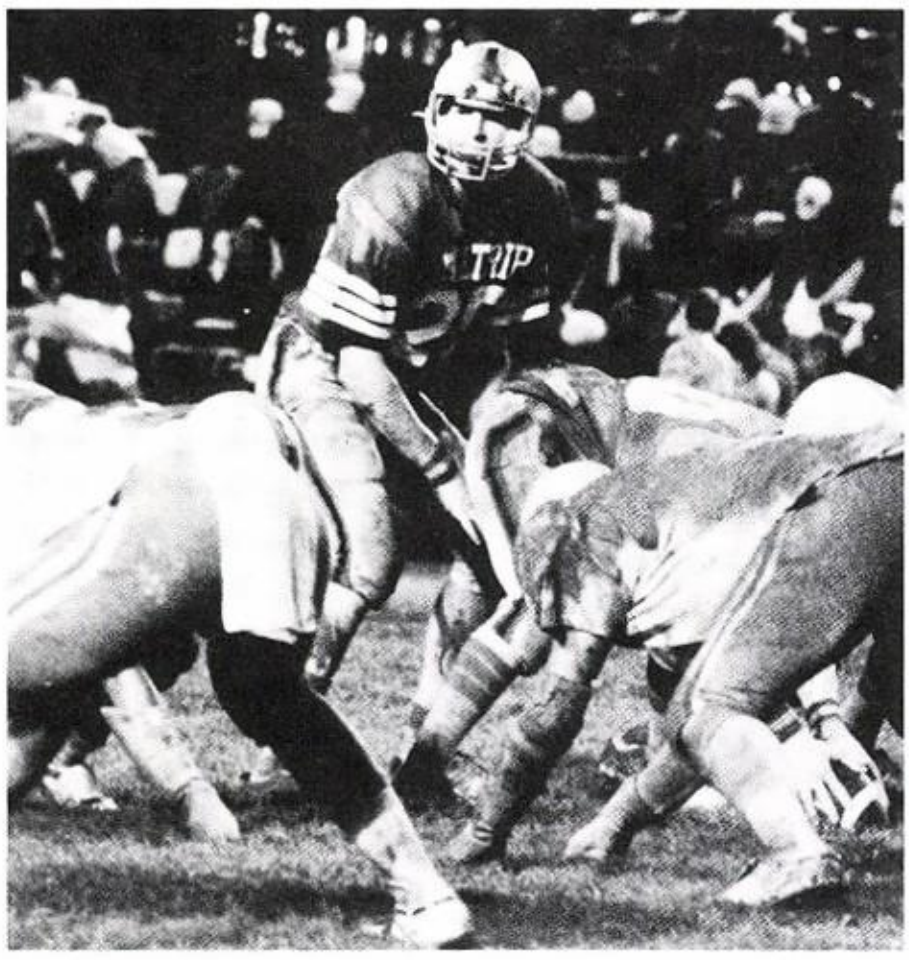
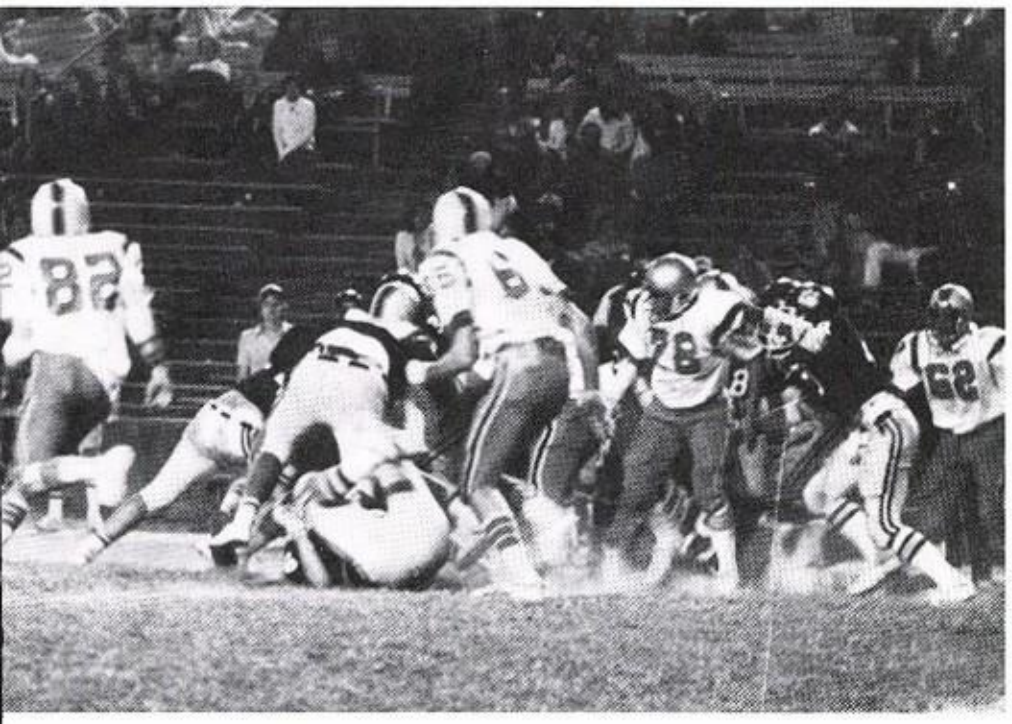
the waltrip rams gave reagan's homecoming crowd a crude welcome by running by the bulldogs 12-0. two sophomores earned their stripes this night as john fertitta rushed for 154 yards on 15 carries and scored one touchdown. fertitta also stopped a reagan threat by intercepting a pass. raymond walker, the other newcomer, intercepted 3 passes to make 7 on the year. derek hoelscher scored the other touchdown to bring his total to 5 for the year. the offensive line led by kevin harding, clifford ahlhardt, craig tomchesson, steve burleson, dean stone, and jerry hines, opened holes in reagan's defense all night. the rams had to overcome an all fumble night to turn back the bulldogs. on defense, the rams held reagan to total of 91 yards total offense as the stout rams stopped the scrappy bulldogs time after time. derek hoelscher and clifford ahlhardt made key tackles as did vince todaro, kevin harding, and carl pryor. several newcomers wore the red and gray for the first time as injuries continue to plague the rams. some of the new people who came in to do a fine job were johnny padilla, patrick siner, allan brown, ronnie head, brian jankowski, and glenn gibbons.

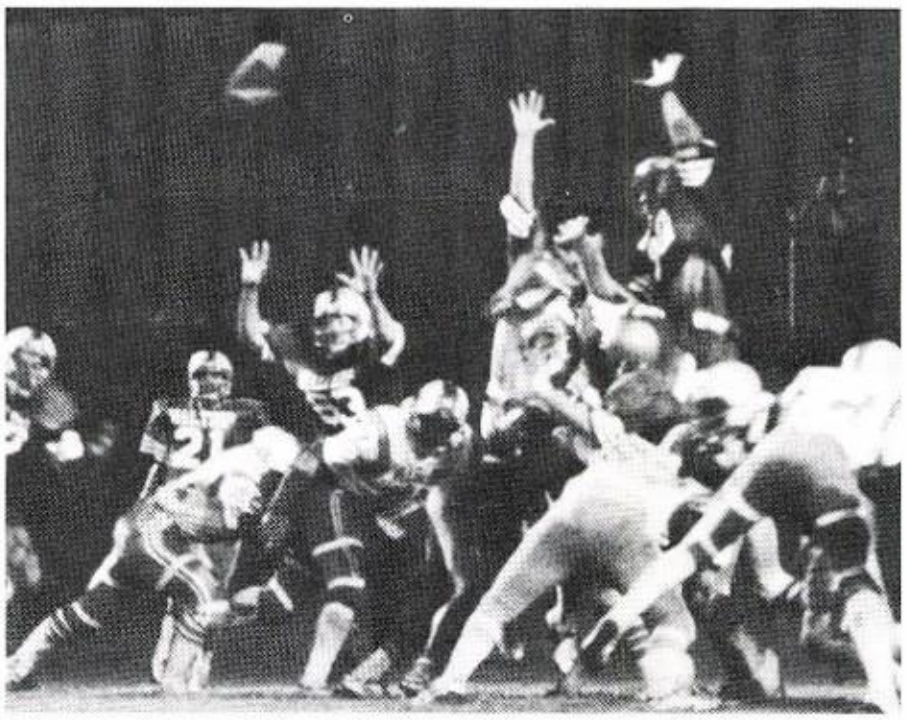


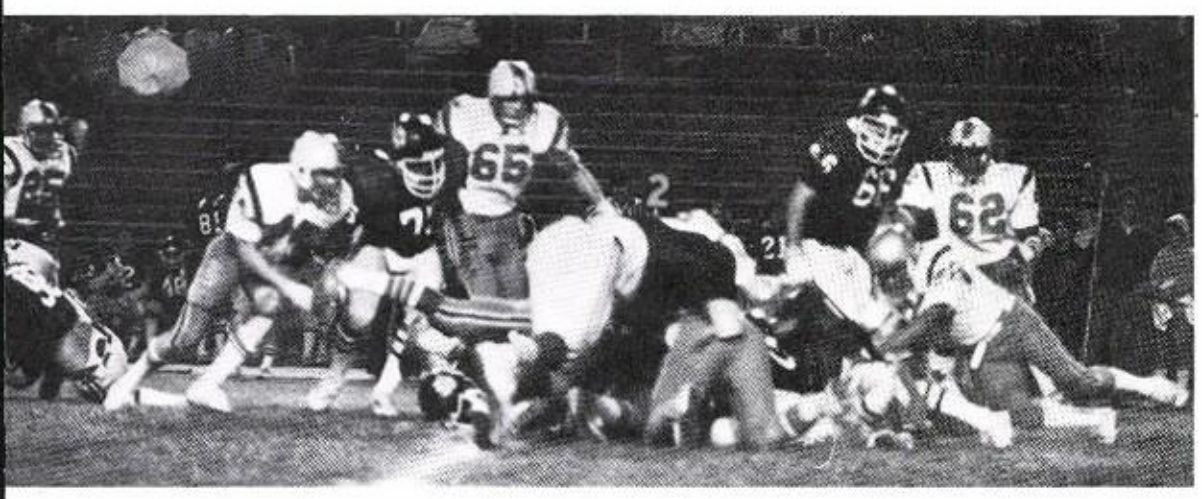


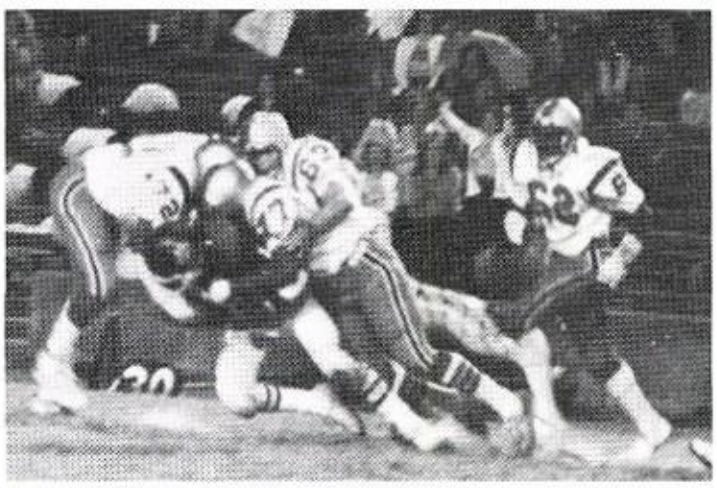
i hereby mark you uun-cool

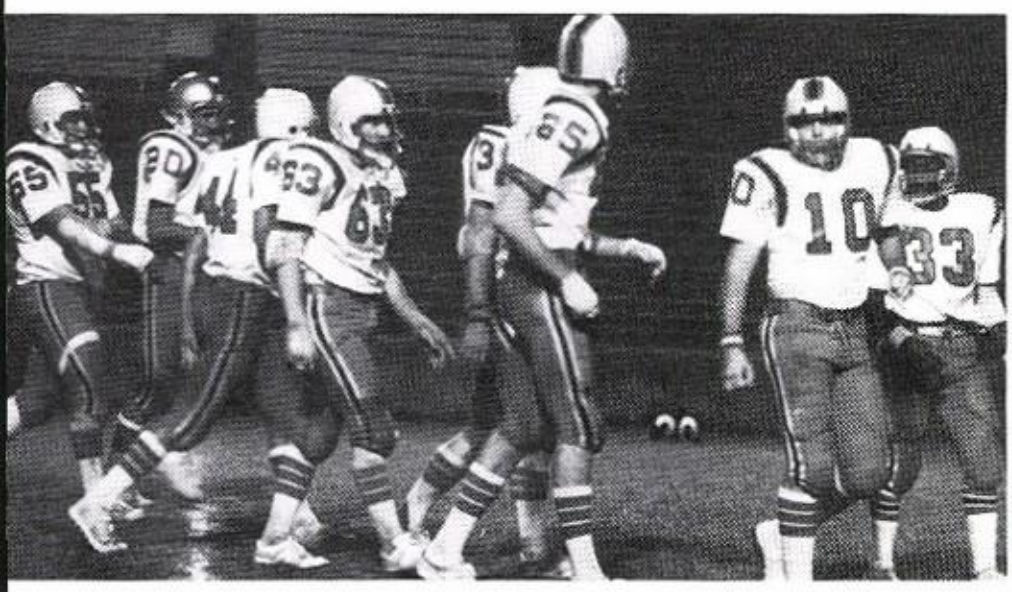


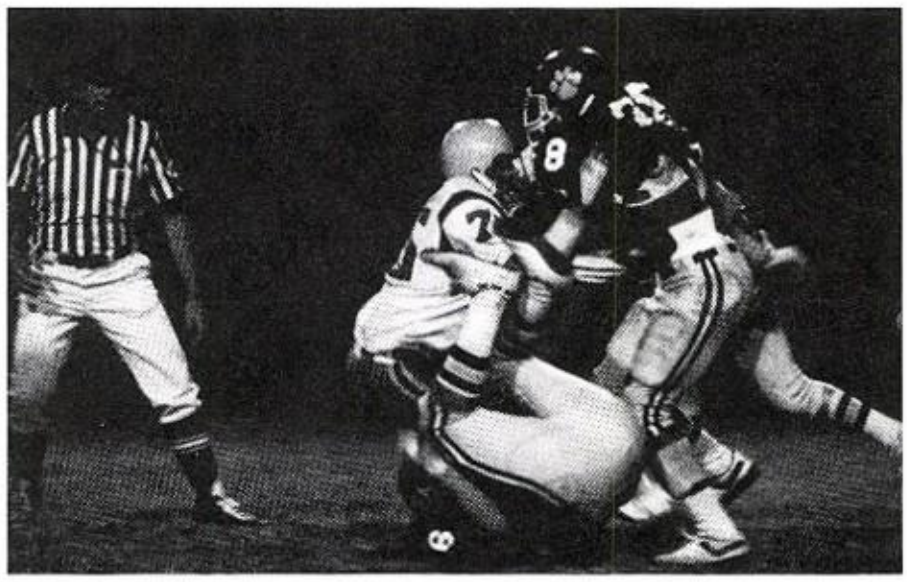


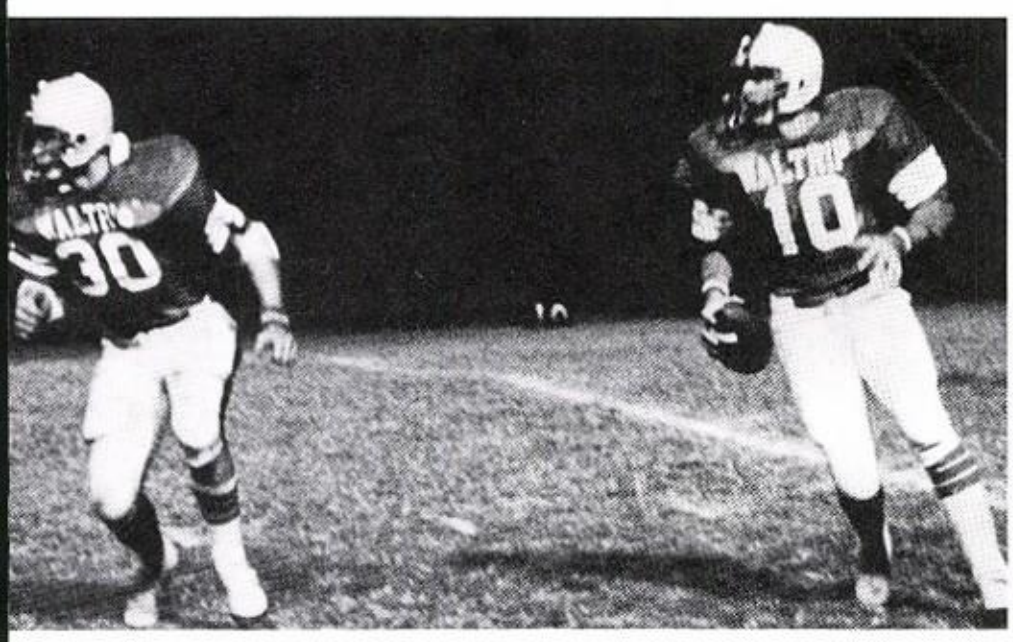






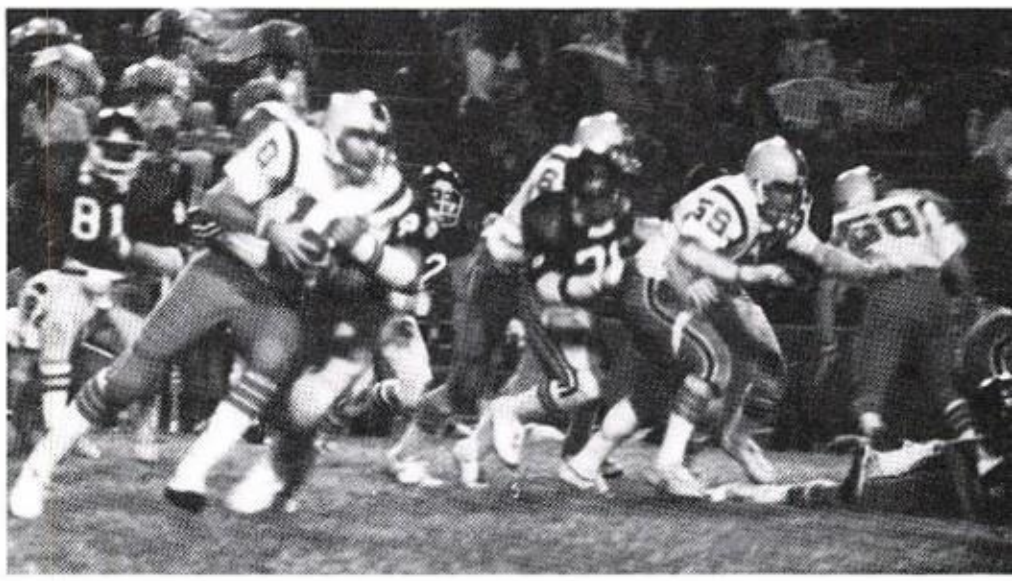


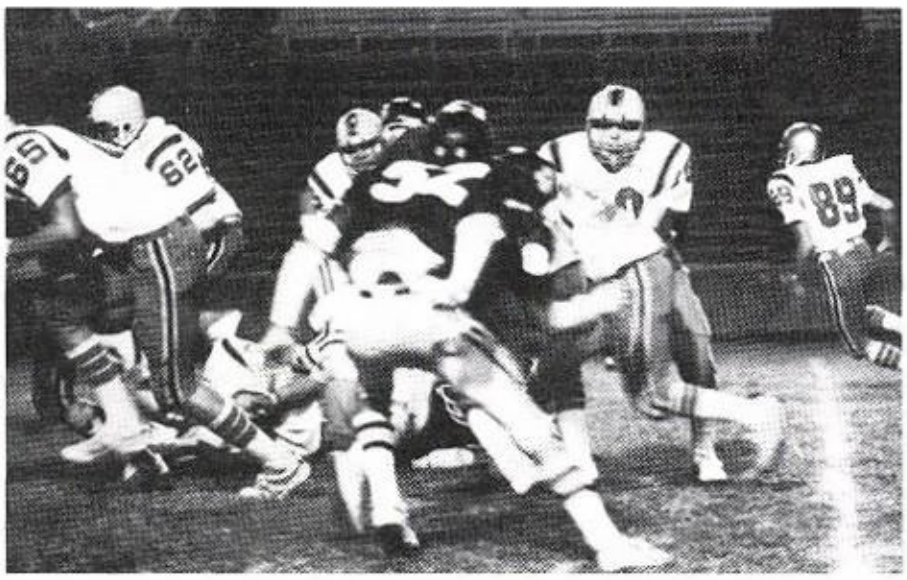


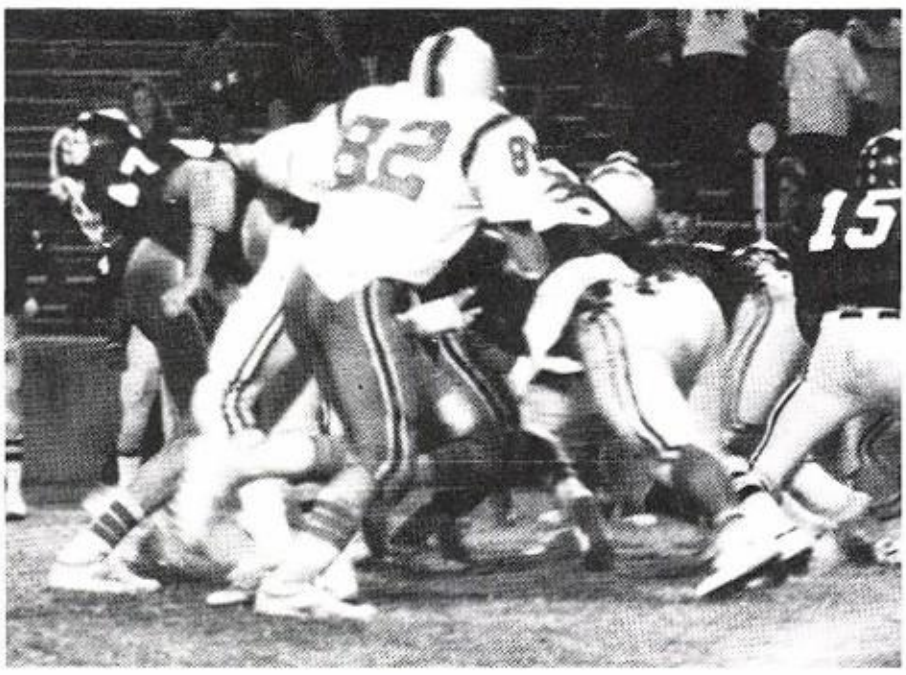


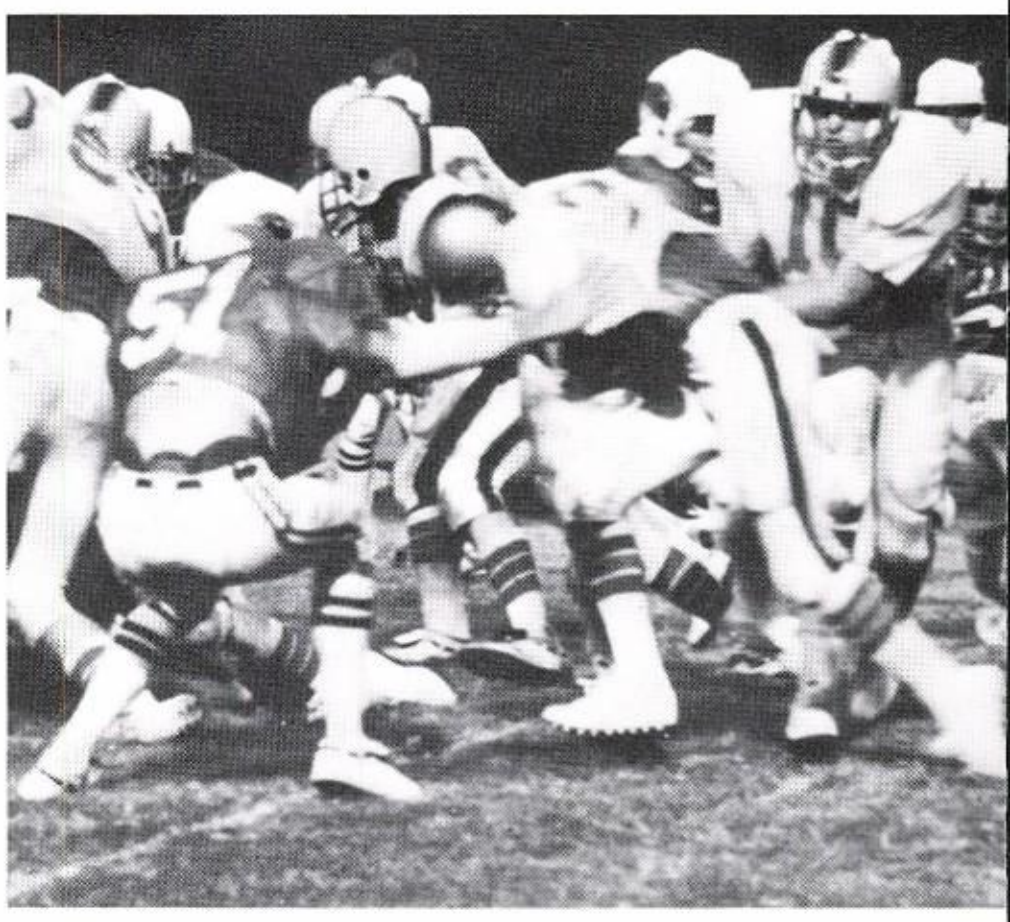
the powerful b. t. washington eagles turned back the scrappy and outmanned rams 34-0. offensively, the rams could not generate a drive as we were our own worst enemy, turning over the ball on fumbles and pass interceptions all night. the eagles never had to drive over 20 yards for their scores. on defense, the hard hitting rams turned back the hard charging eagles several times as kevin harding, jerry hines, steve burleson, johhny padilla, vince todaro, clifford ahlhardt, and derek hoelscher met the opposition for losses. kevin harding threw all of his 6′7″ into the washington backfield and knocked a pass into the air and an alert jerry hines made the interception to put the ram offense back on the field. many of the waltrip ram football players who have been injured during the season are now returning to give the rams much needed support for the last three games of the 1980 campaign.

waltrip homecoming 1980. scarborough took advantage of the injured and inexperienced rams for an overwhelming victory 13-55. blue chipper derek hoelscher showed why he was chosen as the outstanding back of the week by the houston chronicle, by gaining 181 yards on 26 carries and scoring two touchdowns. derek also had to show versatility by running quarterback before the half as raymond walker and brad maddox both left the game with injuries. the rams' offensive line who pushed back the spartans for big gains were clifford ahlhardt, kevin harding, craig tomchesson, steve burleson, dean stone, jerry hines, and ray clopton. on defense, the rams were led by clifford ahlhardt and derek hoelscher who turned back the spartans on several key plays.

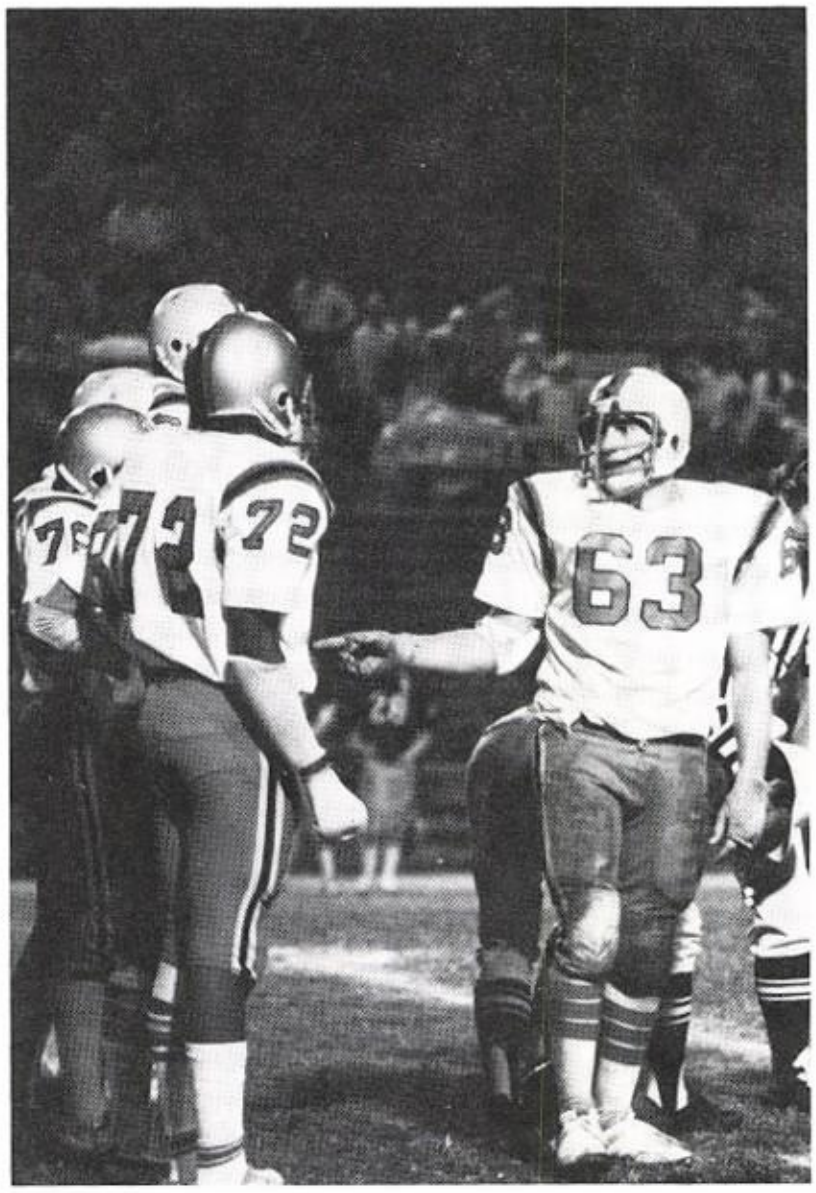


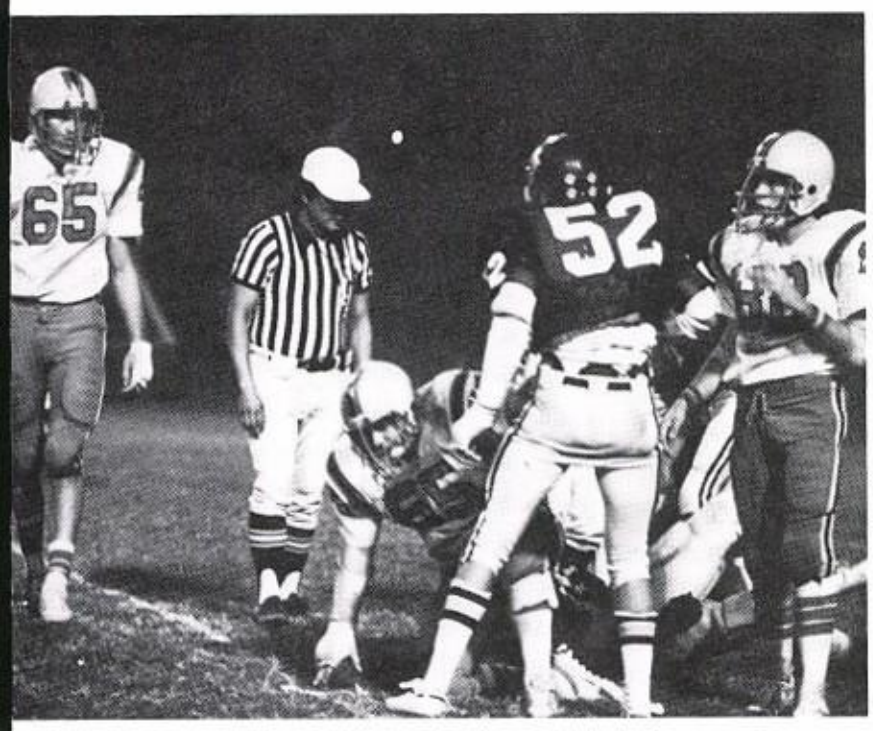


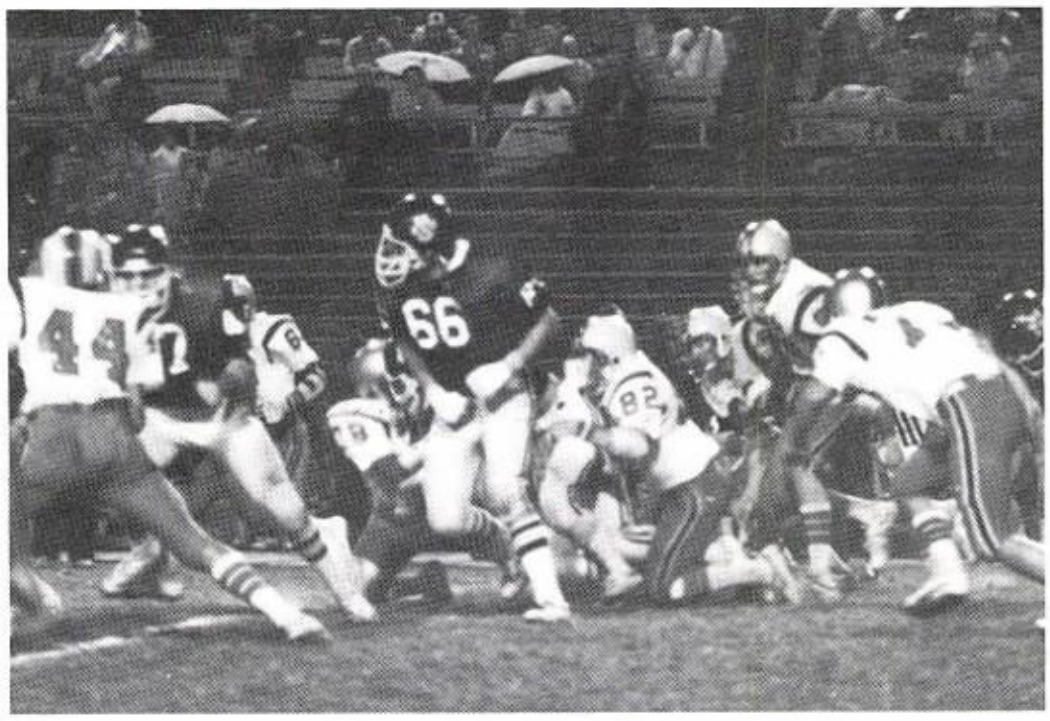




the "k" rams again proved to be too much for the proud rams 48-0. through the first half waltrip held their own, both on offense and defense with only their own miscues hurting them. derek hoelscher again was waltrip's leading rusher with 88 yards. sophomore charles dorsey made his debut with the varsity team and was very impressive as clifford ahlhardt and kevin harding paved the way for the diminutive back. jerry hines was impressive with some outstanding running on the return team. on defense, steve burleson and dean stone halted kashmere drives with fumble recoveries. derek hoelscher, vince todaro, clifford ahlhardt and jerry hines made many key tackles during the course of the game.







the rams ended the season against the tough tigers with an outstanding effort only to fall short 14-0. although the rams suffered 5 turnovers, they moved the ball between the 20 yard line only to have drives stalled by fumbles or a stubborn tiger defense. derek hoelscher and charles dorsey carried the offensive charge as hoelscher picked up 114 yards and dorsey had 66. hoelscher finished the season as the number one rusher in district 19. hoelscher also caught two passes for 65 yards. the offensive line, led by clifford ahlhardt, kevin harding, steve burleson, craig tomchesson, dean stone, and ray clopton all did a good job opening holes and taking the fight to the tigers. in this year of many happenings, the waltrip athletic department would like to thank its supporters for backing the rams through thick and thin.

JERRY W. LEMON, Ph.D., PASTOR

Dear Student:

LIFE CAN BE A WONDERFUL EXPERIENCE or it can be a terrible drag! I have known it both ways and surely can recommend the first. I like to think that you, too, would choose to have a wonderful experience of life rather than to drag through in a sort of half-life.

THE STARTING PLACE for the good life is to realize that you are here, not as a mere accident of nature, but as the creative handiwork of God. He is the designer, creator, and sustainer of your life. Now it is reasonable to assume that for you to enjoy life to the fullest you should follow His direction for living. This is a very real possibility. You can learn His will for life by studying the Bible, His Word to man.

ABOVE ALL ELSE YOU CAN BE SURE that you are important and your life is worth living. Two facts of history help to prove this. One is the fact that Jesus, God's only Son, left Heaven to come to live on earth as a human being. The other is that He allowed Himself to be put to death on a cross in order to demonstrate His love for us and to pay the penalty for your sins and mine. But the amazing good news is that He came alive again and offers us forgiveness of sins and a personal relationship to Him which leads to a wonderful life here and now and an eternally happy life with Him when this one is over. You can know Him and experience this good life!

WE REALLY CARE ABOUT YOU! Call on us or come see us whenever you feel a need. We love you and want the best for you. Yet we realize that our love is imperfect, our lives are less than they ought to be, and our power is limited. But I remind you that the God revealed in the Bible and who is willing to relate to you in a personal way is perfect and unlimited in His power. I encourage you to trust Him, commit your life to Him, receiving Jesus as Saviour and following His will. Then YOU WILL BE TRULY HAPPY WITH HOW YOU LIVE YOUR LIFE!

Sincerely,

Jerry W. Lemon

progressions —
keeping your feet on the ground and reaching
for the stars,
climbing the highest mountain or crossing the
deepest valley,
passing that final class and walking across
the stage at graduation,
living one day at a time.
